Are you a resident of Alachua County?

Yes

If yes, how long?

30 years (excluding college)

If no, what county?

Are you currently serving or have you ever served on an Alachua County advisory board?

No

If yes, please list board(s):

n/a

Civic and Professional Accomplishments/Honors:

Equal Justice Works AmeriCorps Legal Fellow.
Gainesville Chamber of Commerce 2015 Public Leadership Institute member.

Training or Experience Related to the Appointment:

In addition to my degrees, I have taken additional course work in the areas of real property, real estate, and other property related issues. I have also had experience working in a temporary capacity with the local Environmental Consulting Technology firm and the Fort Pierce city Code Enforcement and Permitting Departments.

What contributions do you feel you could make if you were selected for this board?

I believe that my education and knowledge of Gainesville as a native resident

allow me to make a significant contribution to this board. I spend time becoming familiar with the plans for growth in our city and county. I also weigh my research with public policy concerns.

I am outspoken and inquisitive. I believe that my outlook as to the "branding" of our community is a unique view that has positive implications in the discussion of planning.

Some of the boards and committees appointed by the County Commission are required to comply with Chapter 112, Florida Statutes, the Financial Disclosure Law. If applicable, would you be willing to file the required financial statement?

Yes

Appointees to advisory board/committees are required to attend scheduled meetings as specified in the "Guidelines for Citizen Advisory Boards and Committees".

Do you affirm that your personal and business (if applicable) affairs within Alachua County are in substantial compliance with all county regulatory and taxing authorities rules and regulations?

Yes

I understand that this completed application is the property of Alachua County and I hereby certify that the statements made on this application are true and correct.
