State Of Florida vs. FRANCIS RAYMOND PALAZZI I
Case # 01-2017-CF-001811-A

To Judge
Chief Assistant State Attorney

The hardest thing for me these past 20+ yrs.
is missing my son, Not being able to hug him,
to see him, talk to him, tell him how much
I love him.

Its so sad a man of his age felt threaten
of a 24yr old child. The situation around
my son's death could of very well been
prevented. This senseless murder was pre-
meditated. This man (Frank Palazzi) is a
cold hearted murderer, He killed my son
who was unarmed and for nothing but loud
music playing.

My son was not a hard core criminal. My son would do anything to help any one, If he could, he would give a person the shirt off his back.

This man have left a big hole in my heart and my family heart as well.

This is the worst pain any mother is force to live with and the fear of going to my grave without Justice for my son's death, or not knowing why this man kill my son is devastating to me.

He deliberately, Calculating Premeditatedly murdered my son for nothing. Who made him Judge and Jury?

He have no conscious, He have to pay for murdering my son, he have to stay locked up for the rest of his life.

There is no room in society for murderers like him and those who think a gun is the answer.

He should never see the light of day. He deserve the same punishment as my son, (DEATH).

God says to LIVE, TO LOVE, TO Pray, FOR-
GIVE and FORGET.

This situation I can never forget, Never
Forget Him and what he's done to my son
and to me the mother, and my other children
when he murdered my son He loss his
FREEDOM,

God did not make and put us on this earth
to kill and to steal.

I miss my son so much, My first born.
This is and has not been easy for me.
This man could just pick up the phone
and call-911 or just walked away, To
go back to his place and get a gun and
come back and shot my unarm child.
He took matters in his own hands and
there is no justification for what
he's done.
My sons and daughter was raised love.
Sees No Colors •

The closure I need is to know this man
will be locked up for the rest of his life,
on this earth.

This will give me, my family just a very,
very small piece of Peace, but closure
Never Never will I have closure.

Prayers and Justice
